HAF

EL GRANADA

Pillar Point

Half Moon Bay

**Stay safe, help wildlife
& stay within the law**

A minimum of 1,000 feet AGL is required in overflight regulation areas in California's National Marine Sanctuaries. Disturbing wildlife, knowingly or unknowingly is prohibited by laws and regulations:

- » Airborne Hunting Act
- » Endangered Species Act
- » Marine Mammal Protection Act
- » National Marine Sanctuaries Act

**Thank you for helping
California's coastal wildlife**
