FARALLON ISLANDS & WHALE WATCHING

Join Greater Farallones sanctuary naturalists and the Oceanic Society for a day-long adventure into the waters of the sanctuary. Traveling under the Golden Gate Bridge we will journey 27 miles offshore to the intriguing Farallon Islands and, seas permitting, beyond! In these nutrient-rich waters we will search for humpback and blue whales, seabirds such as the Tufted Puffin and Common Murre, seals, sea lions, jellies and more!
